Re: *Butler, et. al. v. Borough of Haddon Heights, et. al.*
Civil Action No. : 1:24-cv-07733-RMB-SAK
Our File No. : 662-14499

Dear Sir/Madam:

We represent defendants/third-party plaintiffs Brooks Cass and Kristen Cass (collectively "Cass") in the above action. A motion to compel compliance has been filed and is pending. We have received communication from the owner of 505 Guyer, Mr. Durkin, who graciously is permitting access. We, therefore, withdraw the part of the motion that relates to that address. Additionally, based on Mr. Durkin's representation, we also withdraw the entirety of the motion that relates to the representations made by the process server.

Thank you for your consideration.

Respectfully,

s/David J. Bloch
